

Volunteers bake (not buy) 24 cupcake size muffins. There are no restrictions for the muffins – nuts, fruit, eggs, milk, etc. are all allowed. Store mixes are fine to use.

Place 12 muffins in a gallon size plastic bag. Put your last name, type of muffin and due date on the bag. Also put either ‘Homeless’ or ‘Urban’ on the bag depending on which shelter you are baking for.

Drop muffins off at St. Matthew up to one week in advance of their due date. Muffins are dropped off to the Ice Machine Room opposite room 104-B in the New Life Center.

Muffins for the Homeless Shelters go in the freezers of the two refrigerators. Muffins for the Urban Ministry go in the upright freezer (see labels). Please put a check beside your name when you deliver your muffins.

Thank you!
