

Week 5. PK Sunday @Home

You can read these books if you have them: "Have You Filled a Bucket Today?" or "How Full is Your Bucket?"

These stories are loved by children of the preschool / kindergarten age and they are a beautiful way to tie in God's Greatest Commandment with children of this age.

Kids can color this picture and you can hang it in your home as a daily reminder of the Greatest Commandment.

Love the Lord God with all your heart, and with all your soul, and with all your strength and with all your mind; and your neighbor as yourself.

Luke 10:27

I am a bucket filler by following the Great Commandment!
