

Activity: (3 Wise Men)

January 3, 2021

- Glue, scissors, markers and colorful paper
- Using old Christmas wrapping paper, cut out 3 triangles & glue to your paper.
- Add pre-cut circle “faces” (or create your own). Glue to the top of the triangles.
- Add pre-cut crowns (or create your own) and glue them to the top of the circle heads.
- With your marker add to the paper “20+C+B+M+21.” These numbers represent the year we are in 2021, and the letters are the first initial of the 3 Wisemen, Caspar, Melchior & Balthazar.
