We Believe

Mark 9:2-10 *The Transfiguration*

During the Liturgy of the Word, the Scripture stories remind us of what we believe about God's love and Jesus' life. During Mass, we also profess what we believe. The Profession of Faith comes from our Baptismal Promises.

### In the Church...

✝ Find the Baptismal Font

**Where is it in the church and what shape is it?**

✝ Find the big candle by the Baptismal Font. This candle is called the Paschal or Baptismal Candle. The candle was lit on the day you were baptized but is not lit today.

**There are other candles that are lit today. How many do you see?**

### During Mass...

✝ After the priest gives his homily, we recite the Profession of Faith. The Profession of Faith reminds us of the promises our parents made for us at Baptism. **What are the first two words we say?**

✝ There is another way to say "I believe". It's a word that is said a number of times during the Mass. Hint...it finishes the Sign of the Cross.

**We say- I BELIEVE—when we say...**

⇒ What happens in today's Gospel is called "The Transfiguration". In the Gospel, God says, "This is my beloved Son, listen to Him." After Mass, go for a walk with your family. Listen for the different sounds you hear, then talk about ways that you can listen for Jesus. **Write down one way you listen for Jesus here:**
