

Volunteers bake (not buy) 24 cupcake size muffins. There are no restrictions for the muffins – nuts, fruit, eggs, milk, etc. are all allowed. Store bought mixes are fine to use.

Place 12 muffins in a gallon size plastic bag. Sometimes they fit better in the bag if the muffins are put on their sides. Put your name, type of muffin and due date on the bag.

Drop muffins off at St. Matthew's up to a week in advance of their due date. Muffins are dropped off in the Ice Machine Room in the New Life Center.

Muffins go in the upright freezer in the room. Look for "Muffin Ministry" signs on the appliance. Please put a checkmark beside your name on the checklists on the appliance.

Thank You!
