Students need to bring with them a plain white t-shirt of their size for camp that week. The kids will make tie dye uniform shirts on the first day that they can wear with athletic shorts, white sneakers and cheerleading bows.

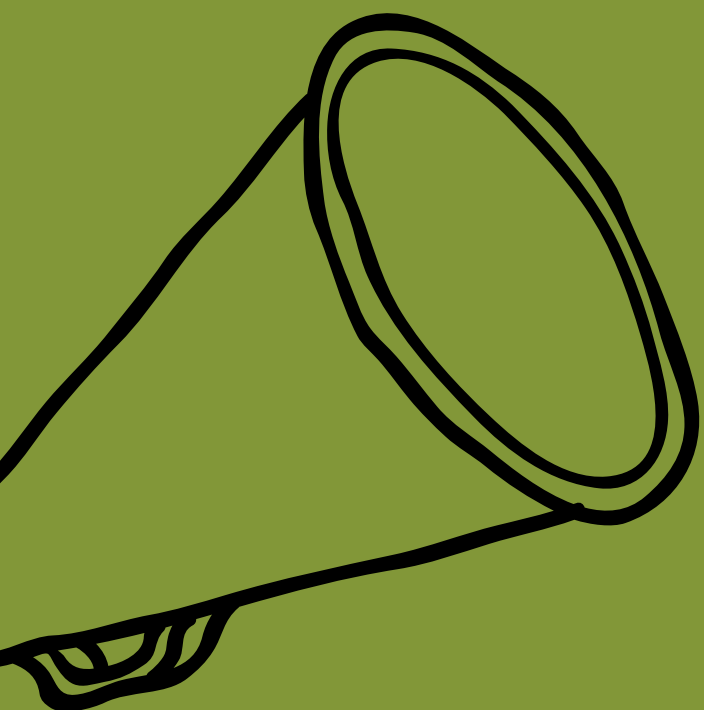

They will learn 3-4 cheers for the week and a group cheer routine.

Daily they will workout and do stretches, practice tumbling/stunt skills and have short activity to bring home. Their routine will be performed at the end of the week for parents.
