Fr Roache Biography

Father Dermot S. Roache is a member of the Society of African Missions (SMA Fathers). He is a native of Brooklyn, New York and a former middle school teacher. After joining the Society, Fr. Roache completed his formation and his theological studies obtaining his STB, from the Catholic University of Eastern Africa (Nairobi Kenya). He spent several more years serving as a missionary priest in Kenya as well as in the northern region of South Africa following the charism of Bishop Marion de Brésillac his founder, which is to serve “the poorest of the poor.” It is there on mission in South Africa where the prayer “*Act of Consecration of the Family to the Divine Mercy*” was given to him by Our Lord. The prayer itself has become a universal mission.

Act of Consecration of the Family to The Divine Mercy

O Jesus, you showed us your infinite compassionate love by exhausting the very last drop of blood and water from your body. From this day forward, with full confidence, we entrust our families to Your Divine Mercy. We abandon our past, our present and our future. We place into your wounds all of our wounds which are caused by lack of love, understanding and trust. Jesus, expel Satan and all evil from our families, free us from the consequence of sin and protect us from further harm. Heal our wounds. May our families learn to venerate your Divine Image that they will never perish but experience your loving mercy. Amen. Prayer composed
