St. Faustina's Eucharistic Miracle. Saint Faustina said: "During Holy Mass when Jesus was exposed through the Holy Sacrament before Holy Communion, she saw two rays of light coming out of the Holy Host; one very pale and the other a bright red light, just as depicted in this image."

## The Divine Mercy Ministry at St. Matthew Catholic Church

The ministry is comprised of small Christian communities called Cenacles. Cenacle members are called Eucharistic Apostles of Divine Mercy (EADM).

One of the goals of the EADM is to promote the Real Presence in the Eucharistic. This year's program was organized with that goal in mind. We hope that after attending this day's event you will be inspired to learn more about the Real Presence and its connection to The Divine Mercy.

For more information about The Divine Mercy Ministry or joining a Cenacle group, please see the Divine Mercy webpage at:
